Principal’s Report

You would be aware that when our politicians talk about improvements in the educational performance of students compared with students from overseas, the testing or measurement tool they use to make this statement about international performance is the PISA exam. Last year a small number of students in Years 9 and 10 sat for this exam. Both schools and students were randomly chosen for these series of tests. Due to the small number of students we can’t accurately judge the school’s performance. However, a number of students have done exceptionally well and I would like to recognise their achievements. The percentage rankings show where our students performed internationally. Liam G achieved in the top 10% in Mathematical Literacy and Reading, and the top 15% in Financial Literacy. Justin H also scored in the top 10% in Reading. The following students were in the top 25%; Justin H Scientific Literacy, Megan W and Maddison L Reading, and Ben W in Mathematics.

Also, a number of our students have had the opportunity to demonstrate their skills and to promote the diverse and innovative programs at Singleton High School. Mrs Holloway will be taking her Hospitality class to be part of the Top Gear television program; the students will operate the service desks during the show. A number of our students, with Mr Bourne presented at an Environmental Forum at the Hunter Wetlands demonstrating how our school, through SHEEP (Singleton High Environmental Effectiveness Program), have started to address the issue of energy efficiency.

This year is the final year of the roll out of the DER laptop computers. We hope to roll the new laptops out in April. However, being the last year, there has been a major change in terms of distribution of the laptops. They no longer belong to, or are assigned to a Year 9 student. This gives the school a number of options in how we distribute the computers. Before I make a decision I would like to seek advice from the parents. The best forum to discuss the 2013 roll out is at our next P&C. If you would like to offer a solution or have a discussion on the issue of the laptops I invite you to attend our next P&C meeting to be held in the Singleton High School Common Room starting at 7.30 pm on Monday, 18 March. I look forward to your contributions.

Recently our swimmers performed at our regional carnival. I believe we had a number of outstanding results with Tahlia B off to represent our school at the State Championships after placing 1st in 100m Freestyle and Backstroke, 2nd in 100m Backstroke and 4th in 100m Butterfly.

Shortly the school will hold our Cross Country Carnival at Rose Point; this event is very popular with our students. In cricket, unfortunately our First XI cricket team were defeated.

Yours in Public Education

Tony Jarrett
Principal

Millennium Student Portal

Real time access to a wealth of information on your child

Singleton High School is proud to have the opportunity to offer the parents of student’s free access to information on their children via an individualized portal to the schools online record keeping system. The portal to our Millennium system will give you daily updates on each of your children through one access point. Information can be accessed real time. As information is entered at the school level it is available to you through the parent portal.

- **Classes** (subjects / courses studied at Singleton High)
- **Timetable** (Day to day information relating to subject, period, teacher and room)
- **Mark book** (Every assessment task result and relative position within the course for that task)
- **Reports** (Access to Semester 1 and Semester 2 reports as they are entered by teachers)
- **Attendance** (Daily information relating to whole day absence, justified reasons for absence and identified occurrence of truancy)
- **Register** (Information that lets you know if your child has had a behavior incident, student recognition, student intervention, administrative action, etc recorded and the date on which it was actioned)

Return Slip:

To receive your e-mail containing your login details to access portal information relating to your children simply complete the return slip below. Parents may be contacted to verify e-mail addresses.

The names of my children enrolled at Singleton High School are:

1: 

2: 

3:

Clean Up Australia Day at Singleton High School

Congratulations to the students and staff for their eager participation this year in the Clean Up Australia Day event within the grounds of Singleton High School on Friday, 8 March. This annual event was organised and promoted by the PBL (Positive Behaviour for Learning) Team and created an opportunity for the expectation of PRIDE, to be demonstrated by all stakeholders.

Year 12 Leadership student, Isabella M said:

“It’s good that the whole school comes together as a whole and works together to improve the school and also in a fun way”.

Year 12 and Year 9 Leadership teams took the initiative to create some fun by dressing up in commando style gear and even disguised the large skip bin with camouflage netting. Year groups were pitted against each other for the title of winning Year and the promise of a BBQ. Students collected a plastic bag from their Year Advisers and were able to collect rubbish from anywhere within the school grounds. Each bag filled with rubbish was awarded one point for their year group. Six ‘treasure chests’ (put together by Mrs Rachelle Hoskin) were hidden throughout the school grounds. The treasure chests added another dimension of healthy competitiveness and fun, as their discovery incurred bonus points. A large tally board, made by Mrs Nicole French allowed for clear and instant results.

Once again Year 12 were outstanding role models for the rest of the school body. With only about 80 students present, they participated in an enthusiastic way and were overall winners of the event. A great effort was also given by Year 9, Year 8 and Year 7 groups!

The results are:

<table>

The outcome of the clean up was some fun between year cohorts, a sense of camaraderie as the whole school worked together to demonstrate pride in our school environment. Well done all.

A special thank you must go to the members of the PBL Team and Year Advisers, for the organisation of the event.

Ms Elizabeth Bate
Deputy Principal

Year 9 Leadership

The Year 9 Leadership Team has started and they have many projects underway...... with many being secret missions that they are planning for students and staff. This group is filled with enthusiastic and passionate students who want to make a difference in their schooling and in events around the school and their lives at school.

Our first event was Clean Up Australia and with the rest of the school made an hour’s clean up of the school grounds into a fun activity. Along with their role models Year 12 Leadership group they dressed up in Army greens and ninja outfits to enthuse and bring competition in to the Year's cleanup challenge. This fun activity bonded the group and they worked very well together. Mrs Holloway rewarded the group with an extra ice block and chocolate.

私たちの夏休みは寒かった！

Over the summer holidays, Mirranda H and I escaped the heat and travelled to Japan to do a 6 week home stay and we certainly did escape the heat; on the average day it was -10 degrees Celsius. We went to school at Takahata High School and I honestly could not think of a better way to have spent my holidays. The people of Takahata were unbelievably kind, generous, friendly, caring, accepting... the list goes on. It was actually my second trip to Takahata, (I went on the Japan Tour trip in September) and I don't regret going back at all.

I had the most incredible time in Japan, experiencing their culture, snow and everyday school life; I made countless memories and had many new experiences. If any younger students ever get the opportunity to go over to Japan, I strongly recommend it!

Hanna F Year 12

Careers

University Road Show

On Monday, 25 February, 2013 Singleton High School hosted the University Road Show event.

The University Road Show event is a joint venture by Charles Sturt University, Southern Cross University and the University of New England that presents the students with information about applying for university, courses and study, costs and student life. The format of the session was a 30 - 35 minute presentation which was then followed by the students being able to speak with individual university personnel and collect both resources and publications.

Positive feedback was received by the students who attended the session. Students are now starting to consider their options at the completion of their HSC. With upcoming open days at the various universities the students have also indicated a keen interest in attending. This will enable the students to gain an insight to life on Campus.

Keep posted for further information in regards to Open Days.

XSTRATA Try-A-Skill Day

Year 10 students from Singleton High will be attending the annual XStrata Try-A-Skill Day on Friday, 8 March 2013, to be held at the Singleton Show Ground.

This exciting event is a great chance for students to gain experience in various careers to help them make decisions about the transition from School to Work, and make appropriate subject selections for senior school.

There are many employment opportunities in our region. Year 10 students will also have the opportunity to meet people who are enthusiastic to showcase their trades to you. This is a great time for the students to ask questions and find out exactly how you can start your career pathway.

Year 10 Work Experience Program

The Year 10 Work Experience Program will be held during Term 2, Weeks 8 and 9.

Dates: Monday, 17 June 2013 to Friday, 28 June 2013.

Leanne Ellis
Careers Advisor

Agriculture

The Agriculture department has introduced new animals for the start of this term. We are keeping our pet rabbit program going with the introduction of Mini Lop and Netherland Dwarf rabbits for Year 9 and 10 Animal Care classes to care for and maintain.

Two Muscovy ducklings have been acquired and are growing quickly and liking their new wading pool.

The Year 11 Agriculture class is growing sweet corn and comparing a new soil additive called biochar and seeing how it compares to conventional sowings of sweet corn.

The Year 11 Primary Industries class is completing the first of several competencies on treating weeds and safe handling of chemicals.
Agriculture cont…

Year 10 Agriculture are looking after 200 newly planted Chrysanthemum seedlings and will over the next few months prepare these plants for sale in early May. This class has also prepared raised garden beds with organic based materials and added vegetables that will be raised organically to maturity.

The Year 12 Primary Industries class is undertaking competencies in animal handling.

We would like to thank Singleton based company Rapid Spray for donating a spray bar for use by our Year 11 and 12 Primary Industry classes. This gives primary industry classes the chance to use equipment currently used in the workplace.

Hospitality

Welcome to SHS Army Families Morning Tea

On Thursday, 7 March SHS Hospitality catered for a special morning tea for our Army families to welcome them to Singleton High School.

This event was organised by Tracey Jones our Defence Transition Mentor for students and parent to meet staff and other families in a relaxed and friendly environment.

This was a very happy and fun time for all involved. Special thanks to our Year 11 HSC Hospitality students for catering for the event.

Well done. Another successful Singleton High School Hospitality catering event.

Mrs Tracey Holloway
Home Economics

Wetlands SRC Conference

On Thursday 7th March, the Go Green student team and SRC representatives from Singleton High School represented the school at the Regional Environmental Conference.

The students were Simone B, Daniel T, Amy B and Lawrence K who presented their SHEEP and Green Day ideas to the many people in attendance.

The audience was made up of teachers, environmental researchers, environmentalists and Department of Education ministers, all of whom were very impressed by the fantastic efforts of the presenting schools.

This is the second time the SRC team has represented Singleton High at a major conference after last year attending the Youth Eco Summit in Sydney. It is hoped that we will once again be asked back to the Y.E.S again this year after our presentation at the Wetlands Centre.

Special thanks to Mrs Holloway and Mr Bourne for their assistance and to Mrs Bailey and Mr Bourne for accompanying them to the conference.

Lawrence K
Year 11 SRC and GO Green/SHEEP member
ANZAC Day Observance 2013

The School Anzac Day Service is set for Friday, 12 April 2013, due to commence at 9.40am in our Multi Purpose Centre.

Parents are invited to attend this function and limited seating is available.

This service should be around one hour in duration and includes veteran profiles, musical items and the normal ANZAC Day protocols. The theme for this years service is “War and Sport”.

The school has as our guest speaker for this year Corporal Josh Gray from the Singleton Infantry Centre. Corporal Gray is a career soldier and he has represented in high levels of sport as part of inter service competition.

ANZAC Day March

The community ANZAC Day March is on Thursday, 25 April 2013. This is during the second week of the vacation.

It would be appreciated if parents/guardians could encourage their children to march in full school uniform on this special day. This is an opportunity for students to march wearing family or relative’s medals if available.

ASSEMBLY TIME IS 10 AM AT THE SINGLETON POST OFFICE

Parents need to be aware of the change of assembly point and the change of route. The service this year will be held at the Singleton Civic Centre.

N A Cox

PBL Update
(Positive Behaviour for Learning)

The PBL (Positive Behaviour for Learning) Team is working hard behind the scenes to create a positive environment for all students and staff at Singleton High School.

Our school’s four expectations are: Respect, Responsibility, Pride and Excellence in Learning. Phase One has been to define expected behaviour. Phase Two is the teaching of expected behaviour. During roll call each week a lesson is taught to all students - Term 1’s focus is on Excellence in Learning:

The team has organised signage in York Street promoting the school’s PBL expectations. Signage within the school grounds also clearly identifies the playground areas as either passive or active. This ensures the appropriate playground behaviour is reinforced in the correct areas.

By analysing the school’s data on student attendance, behaviour incidents, rewards and acknowledgements, the PBL Team is generating important, specific discussions amongst staff and students about the future direction of our school.

Phase Three is the encouragement of the expected behaviour: “You get what you pay attention to”.

The school wide system of Positive Behaviour for Learning has produced some guidelines for schools in regard to “encouraging expected behaviour”. The following guidelines have been adopted by the staff at Singleton High School:

- The use of vocabulary – use effective positive feedback. Student feedback is based around the school’s four expectations of Respect, Responsibility, Pride, and Excellence in Learning.
- Be specific - the specific description of the behaviour is encouraged.
- Ratio of four positives to one correction.
- Use tangible reinforcers and a continuum or menu of reinforcers. The reward structure for students at Singleton High School is a continuum.

Level one: free or frequent, all staff use every day.
The specific nature of these rewards is class based and individual to each staff member. They include a tally of stickers, stars and other means of collating points. The Singleton High School Merit Awards continue to be a tangible reward sought after by many.

Level two: short term and intermittent.
These rewards are designed to be awarded occasionally. The PBL postcards are designed to be sent home to the parents of students who have demonstrated at least one of the four PBL expectations. 54 postcards were sent home last cycle.

All faculties, on a rostered basis, are able to nominate students to be awarded a ‘PBL Student Achiever of the Time Table Cycle’ certificate. These students are selected above their peers for special recognition. They are presented with a certificate by the Principal at the fortnightly whole school assembly.

Level three: strong and long term or annual.
Merit Awards, PBL postcards and PBL student achiever certificates, accumulate towards receiving a Bronze, Silver, Gold or Platinum Award.

Thank you to the members of the PBL Team, who continue to monitor and refine the processes at Singleton High School – you are changing the culture of a large school, one improvement at a time.

Ms Elizabeth Bate
Deputy Principal
Singleton High School
- Mentors Needed ...

- Do you have some spare time during the week?
- Are you a good listener?
- Would you like to help a young person?
- Could mentoring be for you?
- Like to hear more?

The Plan-it Youth Mentoring Program has been running at Singleton High School for several years. This is a 10 week program where a group of mentors meet weekly with selected students to help them determine how their future could look, to help them learn about career pathways, and to work out a strategy for their high school years.

If you are interested in becoming a mentor and would like to discuss how the Plan it Youth program works, get further information, or register for a mentor training program, please contact the Cluster Co-ordinator, Lower Hunter Region, Maryka Gibson, on 0417 241506.

WHAT CAN MENTORS DO?
- Listen to students
- Assist students with goal setting
- Help students to recognize their strengths
- Be a sounding board for ideas and problems.
- Make contact with employers and local business.
- Suggest possible courses of action

WHAT IS PLAN-IT YOUTH?
Plan-it Youth is a school based mentoring program for young people who are likely to leave school early.

It is an educational program linking community members with young people who may need extra support to continue at school or prepare for the transition from school to work or from school to further education and training.

WHAT IS MENTORING?
Mentoring is the development of a one-on-one relationship where a more experienced person helps a less experienced person achieve their goals.

Plan-it Youth offers young people the opportunity to plan for their next step into education, training or employment. A mentor can assist this process by offering their experience, support and guidance on a one-on-one basis.
HAVE YOU RECEIVED THE SCHOOLKIDS BONUS?

Do you know about the Schoolkids Bonus? It is a new cash payment to help eligible families and students with the costs of primary and secondary school studies. Around 1.2 million families have already benefitted from the first wave of payments in January 2013.

If you receive a family or income support payment, including Family Tax Benefit Part A, you could be eligible to receive $410 a year for each primary student and $820 a year for each secondary student, with half paid in January and half paid in July.

The Schoolkids Bonus replaces the Education Tax Refund (ETR) and is a much simpler system. You no longer need to collect receipts and payments are made automatically so you don’t have to wait months to make a claim via your tax return. Unlike the ETR you can choose how you use the payment to best support your children’s education – whether it be school books, stationery, uniforms, school fees, or excursions.

Check your eligibility by visiting:

australia.gov.au/schoolkidsbonus

If you think you might have missed out on the January payment:

Contact Centrelink – either in person at a Centrelink-Medicare Office or by calling 132 468.

Schoolkids Bonus Communication Team
Department of Families, Housing, Community Services and Indigenous

Want to go to USA?
Like Performing? Like to dance?
Want to be a part of a Once in a Lifetime Opportunity?

We are taking a group of dancers to tour for 10 days, take a few dance workshops at leading dance centers and perform at Universal Studios and Disneyland in LA. It’s all happening September this year and we want you to come join us!

No dance experience necessary and you don’t have to be affiliated with any dance school/public school to be a part of it – it is open to EVERYONE – all ages and all levels of ability. There are spots available for those that don’t like to dance or perform also, with plenty of activities that are non-dance related why not come and explore America with us…

To get more information on the tour please call 0411 782 781 or email urban-dance@hotmail.com

HAVE YOU RECEIVED THE SCHOOLKIDS BONUS?

Drugs and alcohol are a real risk for youths, parents and the community.

CS Health is holding a free youth drug and alcohol information evening targeted at year 11 and 12 students and their parents to educate them on the impacts of drugs and alcohol, with a focus on synthetic drugs.

Using their expertise and experience in drug and alcohol education, representatives from CS Health and local emergency services will provide up to date information and answer any questions or concerns.

A light supper will be provided for all attendees.

Date: Tuesday 26 March 2013
Time: 7.00pm - 9.00pm
Venue: Singleton Youth Centre
74 Pitt and Bathurst Streets
Singleton NSW 2330

We are well and truly into Term One now and the Dare To Lead School to Work Transition programme is winding down.

It will be replaced by another School To Work Transition programme, run along the same lines and based at the KaWul Centre as the first one was.

The position is yet to be filled but will include working at Singleton High School three days a week and one day a week at Ungooroo Aboriginal Corporation in Singleton.

We have had some great success stories over the last three years including assisting students in gaining places in apprenticeships, traineeships, fulltime work, casual positions, TAFE courses and joining the Police Force to name a few.

This year, one of the first tasks is to do some work on our PLP’s, getting information up to date and starting interviews with our Year 7 students so that we can begin supporting and assisting them with their chosen pathways to a career. We are looking forward to meeting all of our Year 7 Aboriginal students and working with them this year.

Jo Vinson

Anigunya (welcome) to 2013.

This year has started off well. We have 113 Aboriginal students identified at Singleton High School this year. We have lots of activities organised for the year such as Bro Speak and Sista Speak. We have Aboriginal dance running once again this year every second Friday. Our teacher and mentor is Adam Drylie.

Home work centre is open every Tuesday and Thursday from 3:30 till 5.00pm.

If you have any question or enquiries please contact Sharon at the KaWul Centre Monday, Tuesday, Thursday or Friday.

Sharon Bailey
Coordinator KaWul Resource Centre

### Canteen Help

Donna and Tracy are looking for new volunteers to join their small but lovely group of helpers at the canteen. We have opened up a new timeslot of 9-12 which we hope will be more appealing and encourage busy parents to come and help.

If you are interested please phone Donna or Tracey on 02 6572 2373 or 0468 467 471.
