Dear resident

Re: Branxton Bus Stop Improvements

Roads and Maritime Services (RMS) will start work in the upcoming school holidays on a major upgrade of the school bus stop at Branxton near Wyndham Street.

Each day, the bus stop and nearby park is an interchange area for around a hundred school children.

RMS will reconstruct the area by providing fencing and a safer standing area for the school children when they are boarding buses, and asphalting the area where the buses stop. This will better ensure the children are separated from the buses. Please see a diagram of the works on the back of this letter.

The works are scheduled to commence on Monday, 24 September 2012, and are expected to be completed by Friday, 5 October 2012, prior to school children returning from school holidays.

We are conscious of the effect of works on surrounding residences and every effort will be made to minimise noise.

We apologise for any inconvenience and appreciate your patience during this time.

Yours faithfully

Phil Anderson
Project Officer
Roads and Maritime Services
